

January 7, 2018

On February 22, 2019, the Lehigh Valley Engineering Council (LVEC) will host the 39th Annual Lehigh Valley Engineer's Week Banquet. Each year the Banquet brings together engineers from throughout the region to celebrate engineering and recognize the accomplishments of the Lehigh Valley engineering community. This year we will be honoring the 2018 award recipients for Engineer of the Year and Young Engineer of the Year. We have selected Wayne Barz from Ben Franklin's TechVentures as the featured speaker.

The LVEC is a non-profit organization that promotes recognition for the engineer profession, regional professional development opportunities, and interaction within our community. LVEC provides support for the Lehigh Valley sections of active member societies including: PA Society of Professional Engineers, Society of Women Engineers, American Society for Quality, American Society of Civil Engineers, American Society of Mechanical Engineers, Institute of Electrical and Electronics Engineers, and Society of Automotive Engineers. LVEC also supports local STEM outreach activities.

None of this would be possible without the generous support of LV-PSPE. We thank you for your past generous donations and ask LVPSPE to renew sponsorship at the Gold or Platinum Level. Your sponsorship will be used to offset the costs of the banquet (subsidizing students attending the event, providing honorarium gifts and travel expenses for the featured speaker, etc.) Please be as generous as always, and let us know if you will have a display during the social hour.

The Engineers Week banquet will be held at the ArtsQuest Center at Steel Stacks. Individual tickets are available for \$35 each through 2/9 and \$45 each until 2/20. Please contact David Toler at 610-253-6336 or toler-fes@rcn.com to discuss your sponsorship, or visit our website at www.lvengineeringcouncil.org for more information. Make sponsor checks payable to LVEC and mail to our treasurer, Ricki Wagner, 7733 Hill Street, Fogelsville, PA 18051. Contact me at Rooney@EnviroAce.com for any assistance I can provide.

Sincerely,
